2.03.10	<p>MINUTES OF LAST MEETING. The minutes of the meeting of 6th January were read and accepted as accurate.</p>		
3.03.10	<p>MATTERS ARISING.</p> <p>6.11.09 - Pathway Signage. Installation is overdue because of their comparative complex construction that involves vetting procedures by various concerned authorities so that signage conform to standards.</p> <p>8.11.09 - Playground Sub Committee. The committee reported that a meeting has been arranged for Friday, 5th March in the park with the playgrounds officer Paul Freeman when options and procedures will be discussed.</p> <p>6.09.09 - Meadow Interpretation Board. Text and photographic content has been agreed. Funds will be available from 1st April through the biodiversity officer. Depending on resources, a further board may become available.</p>		<p>Next Meeting</p> <p>Next Meeting</p>
4.03.10	<p>TREASURER'S REPORT. Treasurer absent.</p>		
5.03.10	<p>BRIEF REPORTS.</p> <p>(i) Workday, Sunday 31st January. D.Kinsey reported that seven volunteers attended and the group were engaged in pathway maintenance and edging at the rear of the changing rooms. About 100 yards in total was treated but the task is incomplete with a short section needing attention. Weather conditions were extremely cold but dry.</p> <p>(ii) Workday, Sunday 31st February. D.Kinsey reported that eight volunteers attended and three sites in the park received attention. The first task was to remove scrub from area of grass just inside the Tymawr Road entrance. The site needs strimming and, with soil improvement, could benefit from a mass planting of spring flowering bulbs. Ranger to investigate options. Next, the bank on the pathway leaving the overflow car park was thinned removing mainly buddleia leaving a sunny site suitable for invertebrates</p>	G.Stamp	Next Meeting

<p>6.03.10 (iv)</p> <p>(v)</p>	<p>PARK ISSUES. (CONT.) The meadow has been officially recognised as a SINC. (Site of Importance for Nature Conservation) due to the presence of the conehead grasshopper and various unspecified vegetation.</p> <p>The larger playground area, on a Saturday night, is used regularly as a site to consume excessive amounts of alcohol. The area is left strewn with litter and broken glass bottles to the extent that it is unsafe to use. Incidents are reported through 101, the police and local councillors informed. Possible implementation of Designated Public Place Orders would be a drastic but final solution to the problem. The situation will remain under review.</p>	D.Kinsey	Next Meeting
<p>8.03.10 (i)</p>	<p>AOB. There has been a noticeable increase in the incidence of dog fouling especially in the meadow area. The ranger confirmed that enforcement officers have patrolled the park recently. It was agreed that such contamination, as well as being a health hazard, could impinge on the group's attempt to achieve a Green Pennant award. Poster campaign to continue with dog owners reminded of their responsibilities.</p>	P.Bowers	Next Meeting
